Admission Requirement

Clovis Community College mantains an open admission policy admitting all applicants except for the limited enrollment career programs in Allied Health and Occupational Technology. There is no deadline for general admission. There is no fee to complete the application. Clovis Community College does not discriminate on the basis of race, color, religion, national origin, ancestry, sex, sexual orientation, spousal affiliation, gender identity, veteran status, physical or mental disability, serious medical condition, or age in its program and activities. The following personnel have been designated to handle inquiries regarding the non-discrimination policies. All personnel are physically located at 417 Schepps Blvd, Clovis, NM 88101.

- Director of Diversity, Equity & Inclusion, Room 138 575.769.4184
- Director of Human Resources, Room 112 575.769.4045
- Director of Security, Room 134 575.769.4144

For further information on notice of non-discrimination, visit https://ocrcas.ed.gov/contact-ocr for the address and phone number of the office that serves your area, or call 1.800.421.3481

Student Resources

The Course Catalog and Student Handbook are your main resource guides. As a CCC student, you'll refer to them often for important information and dates. Copies of these publications and Student Right to Know Information are available online at clovis.edu/publications.

Additional Resources

 ${\sf ACCUPLACER}\ information: www.clovis.edu/testing/accuplacer$

Career Services: clovis.edu/careerservices Student Life: clovis.edu/campuslife Student Employment: www.clovis.edu/hr Important Dates: clovis.edu/academic

Financial Assistance

Financial aid is available to those who qualify. To receive most types of financial aid, you will need to complete and submit the Free Application for Federal Student Aid (FAFSA) at FAFSA.gov (CCC school code: 004743).

Students must renew their FAFSA every year. The application opens on October 1st each year and students are encouraged to utilize the IRS Data Retrieval Tool when completing the FAFSA.

Thoroughly review and respond to all correspondence from the CCC Financial Aid Office through your CCC student email.

Payment plans are available if you do not have financial aid in place by the payment deadline or if you do not have sufficient aid to cover your entire tuition and fee costs

There are also several scholarship opportunities available at clovis.academicworks.com. For more information, contact the Financial Aid Office.

Textbook Affordability Package

Clovis Community College implemented a new Textbook Affordability Package to provide students with easier access to textbooks at an average cost savings of 38%. Textbook costs are automatically built into tuition and fees at the time of registration. Now students can stop by the bookstore and pick up books or have them shipped directly to their home with no additional costs. This allows for a streamlined process for financial aid charging and textbook costs may be tax deductible.

Students are automatically enrolled and must optout. Students who wish to opt out of the Textbook Affordability Package are responsible for all textbook costs and must contact academic.advising@clovis.edu or 575.769.4099 for textbook advising. Students who register after the posted deadline will have 48 hours to opt out. Students will receive an email regarding textbook information, including an opt out link, in their student email.

For more information on the Textbook Affordability Package, contact the CCC Bookstore at 575.769.4050 or bookstore@clovis.edu.

Visit www.clovis.edu/bookstore for a complete list of courses and programs included in the Textbook Affordability Package.

High School Students:

Dual Credit:

CCC's dual credit program is an opportunity for students to earn both high school and college credit, tuition free! High school students at a New Mexico public, private, or charter school as well as New Mexico homeschooled students qualify. Age requirements differ by high school and courses need to be approved by both your high school and the college. Check with the high school counselor first. A wide array of courses can be taken as dual credit (except courses such as developmental courses and HPE activity courses), so check with your counselor to determine options.

Early College High School:

Health and Physical Education

Early college students can obtain a high school diploma and an associate's degree or certificate/industry credential simultaneously. Early college students will be a subset of Clovis High School, but all high school and college courses will be offered at Clovis Community College.

Early Admission:

High school students who are part of a homeschool association or public, private, or charter school outside of New Mexico are eligible for early admission. This allows students to earn college credit while still in high school. Under early admission, students are eligible to take any CCC course offered and are responsible for tuition, books, and course fees.

For more information about Dual Credit, Early College High School or Early Admission, contact Pam Cornelison at 575.769.4916 or pam.cornelison@clovis.edu
