

## **PAYMENT PLANS**

TouchNet is a secure, convenient, and interest-free way to pay for tuition and fees. Available on Pathway, TouchNet allows you to set up payment plans or process payment in full using credit card or checking accounts.

Payment plans are available each semester. There is a non-refundable \$10.00 payment plan fee assessed at the time of enrollment. A 25% down payment is due immediately and the remaining balance is equally divided among monthly payments, due on the 5<sup>th</sup> of each month. The number of payments varies, depending on how early or late you enroll. Email and text notifications inform you of upcoming payment dates.

Eligible Financial Aid students can implement a Pending Financial Aid Payment Plan (PFAPP) to confirm their registration. If financial aid file is complete and sufficient financial aid award feeds to your account, no installment payments will be processed.

Plan balance and installment amounts may change to reflect student account activity. Installments not paid in full by their due date are subject to a \$10.00 late fee.

Students are able to authorize another person to view their student account balance and make payments.

Important payment deadlines for each semester are published on the web at [www.clovis.edu](http://www.clovis.edu) and in the class schedules.
